

## FAMILY AGREEMENTS

I have read the Forest Pals (FP) website. I understand the enrollment process and agree to pay all necessary fees. I will sign all required waivers for participation.

I understand that the FP experience requires active parent participation and support at home. I will make sure my child is well nourished and well rested so s/he can be successful through an active day outdoors.

I understand that my family will be expected to work, play and communicate in respectful ways, to nature and each other.

I understand that Forest Pals is completely nature-based and that my child(ren) will be outside in various types of weather. I will provide my child(ren) with appropriate clothing and gear. I understand that children may at times need to go 'to the bathroom' outside.

I will keep my child(ren) home if s/he is ill with fever, rash, contagious illness or other issues that prevent full participation in vigorous outdoor play.

*Explorers, Adventurers and Nature Network only:* I understand that Forest Pals drop off programs are NOT appropriate for children/teens who are unable to follow instructions.

*Explorers and Adventurers only:* Whenever possible, we will attend field trips and community events.

I understand that my application is not a contract. I will expect to hear from the director within 2 weeks of receipt of this application. If all spaces are full my child will be put on a waiting list.
